All of us at Sarova Hotels would like to offer our heartfelt congratulations on the news of your engagement and would like to invite you to the hotel for a glass of champagne to celebrate.

Your wedding day is one of the most important days of your life and we are here to make it memorable by providing a personal service to every detail. The moment you step through the door our professional and friendly staff will greet you and service your every need.

You will have your very own wedding coordinator who will take you step by step through every detail of the day. They will help you select the menu and wines and the package to suit you and once chosen you will be invited to a special menu tasting. We offer civil ceremony and civil partnerships services in our licensed function rooms.

You will be introduced to your wedding host before the day so you can discuss all the details planned and run through the day step by step.

On the day your host and serving staff are dedicated only to you and your guests.
