

TRAVEL INFORMATION AND COVID-19 TESTING FOR GUESTS AT THE ABBEY HOTEL

WHAT YOU MUST DO UPON ARRIVAL INTO UK FROM **RED** LIST COUNTRIES AND THE **REST OF THE WORLD**

Please note, these rules are subject to change at short notice. This information has been provided as guidance and advice to assist you with your travel plans. It is your responsibility to ensure you understand and comply with the rules before travelling. We cannot be held responsible for rule changes and updates to this guidance.

Please visit the [Government website here](#) for up to date information.

RED LIST

You can only arrive in England from a **RED** list country or if you have been in a country or territory on the **RED** list in the 10 days before you arrive in England, if you are a British or Irish National, or you have a residence right in the UK. No one else is permitted to enter England.

When travelling from a **RED** list country, you must:

- Take a pre-departure COVID-19 test within the 3 days before travelling to England
 - Book a quarantine hotel package, including 2 COVID-19 tests
- Complete a passenger locator form in the 48 hours before arriving in England

Please note, no Sarova Hotels are quarantine hotels and if you need to quarantine you must book a specifically managed hotel on the [Government website](#).

Check the current **RED** list countries [here](#).

REST OF THE WORLD

If you arrive in England after 4am on 30th November 2021 and you have been in a country or territory not on the **RED** list in the 10 days before you arrive in England, you must:

If you are fully vaccinated or under the age of 18:

- Complete a Passenger Locator Form in the 48 hours before arriving in England
 - Self-isolate in your home or the place you are staying
- Before arriving in England, you must book and pay for a PCR test to be taken before the end of day 2 after you arrive (lateral flow tests will not be accepted)
- You can end your self-isolation as soon as your PCR test result is negative

**Your PCR test can be taken as soon as you arrive in England.
Many test providers are able to issue results within 24 hours.**

You must have had your final dose of the vaccine at least 14 whole days before the date you arrive in England. Find out more about qualifying as fully vaccinated [here](#).

If you are unvaccinated or partially vaccinated and over the age of 18:

- Take a pre-departure COVID-19 test 3 days before you travel
- Complete a Passenger Locator Form in the 48 hours before arriving in England
 - Quarantine for 10 days either at home or in the place you are staying
- Before arriving in England, you must book and pay for PCR tests on day 2 & day 8 after arrival into England

COVID-19 TESTING CENTRES

We are able to assist and advise on PCR registered testing centres. Please bear in mind, all of these centres and services are completely independent of The Abbey Hotel and have been sourced by us from the Government list of registered testing centres.
